APPENDIX—Elementary Concepts to Understanding the Budget

Rules for preparing the budget are explained, in part, by the following:

Government Code §29009—

In the proposed and final budgets the budgetary requirements shall equal the available financing.

State of California Accounting Standards and Procedures for Counties

8.33 Budgeting, Fund Balances, Reserves, and Designations.

The basic premise for county budgeting is that the total requirements must equal the available means of financing. This is true even when the available means of financing is excessive. In such circumstances, the property tax or service charges must be reduced.

This condition applies not only to the adopted budget but also to the actual operating results. The exception is that the actual available financing may exceed the actual requirements. This results in an available fund balance for the next fiscal year.

Another way of expressing it is to say that negative available fund balances are not permitted. Adjustments must be made to avoid such a condition.

The one assurance any manager has is that his/her estimates will rarely, if ever, exactly match the actual results. The process accommodates this condition by providing for changes in the estimated available financing and estimated financing requirements. A failure to realize the estimated available financing requires a corresponding reduction in estimated financing requirements (excluding reserves). On the other hand, unanticipated available financing, if legally authorized, may permit an increase in estimated financing requirements.

Compliance is shown in the required reports comparing actual total expenditures and income with the approved budget. However, these are not the only components. The beginning figures for fund balances, reserves, and designations are subject to change. Also, the actual reserves could be different from the anticipated reserves.

Government Code §30200—

Under this division the Controller shall prescribe for counties uniform accounting procedures conforming to Generally Accepted Accounting Principles. The procedures shall be adopted under the provisions of Chapter 3.5 (commencing with Section 11340) of Part 1, Division 3, Title 2 and shall be published in the California Administrative Code either in their entirety or by reference. The Controller shall prescribe such procedures after consultation with and the approval by the Committee on County Accounting Procedures. Approval of such procedures shall be by a majority vote of the members of the committee. The vote may be conducted by mail at the discretion of the chairperson of the committee, provided, however, that should one or more of the members of the committee request a meeting for the purposes of voting, the chairperson shall call a meeting of the committee as provided in Section 30201.

A RESOLUTION OF THE SUTTER COUNTY)
BOARD OF SUPERVISORS ADOPTING THE)
BUDGET FOR THE COUNTY OF SUTTER)
FOR THE FISCAL YEAR JULY 1, 2025 TO)
JUNE 30, 2026)

RESOLUTION NO. 25-035

WHEREAS, the Board of Supervisors of the County of Sutter heretofore received the Recommended Budget for the County of Sutter and held duly noticed hearings thereon as required by law for the purpose of developing an Adopted Budget for the County of Sutter for Fiscal Year (FY) 2025-26; and,

WHEREAS, the County Administrative Officer has submitted a compilation of modifications to the Recommended Budget following the hearing; and,

WHEREAS, the aforementioned revisions are incorporated into the attached Exhibit and are hereby made a part of this resolution.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Sutter that:

1. Adopted Budget. The budget of the County of Sutter for the fiscal year beginning on July 1, 2025, and ending on June 30, 2026, as submitted to the Board of Supervisors by the County Administrative Officer on June 24, 2025, and as later modified by the Board of Supervisors, and as may be balanced pursuant to Section 2, below, is hereby approved and adopted, by reference, as the Adopted Budget of the County of Sutter for FY 2025-26.
2. Year-End Closing Adjustments for FY 2025-26. The Auditor-Controller is authorized to make the following adjustments to the FY 2025-26 budget where the FY 2024-25 actual year-end closing figures for any fund differ from the FY 2025-26 beginning fund balance budget estimates:

(A) Should the available financing exceed the financing requirements for the General Fund, the excess shall be returned to the General Fund for use as directed by the Board of Supervisors. The Auditor-Controller shall report to the County Administrative Officer any amounts required to be adjusted pursuant to this section no later than October 10, 2025. No such adjustment(s) referenced in this section shall be considered authorized without the review and written approval of the County Administrative Officer.

(B) Should the available financing exceed the financing requirements for any individual fund other than the General Fund, the excess shall be applied to increase the Appropriation for Contingency in the respective fund as provided by Government Code Section 29084. The Auditor-Controller shall report to the County Administrative Officer any amounts required to be adjusted pursuant to this section no later than October 10, 2025. No such adjustment(s) referenced in this section shall be considered authorized without the review and written approval of the County Administrative Officer.

(C) Should the financing requirements for any individual fund, other than the General Fund, exceed available financing, the Auditor-Controller shall reduce the Appropriation for Contingency in the respective fund, until exhausted, and then shall reduce the appropriate Obligated Fund Balance

account by applying the Board of Supervisors Fund Balance Policy in the respective fund. If financing requirements still exceed available financing, the Auditor-Controller shall inform the County Administrative Officer no later than October 10, 2025, and the County Administrative Officer will make recommendations to the Board for adjustments in appropriate accounts as deemed necessary by the County Administrative Officer.

3. General Reserve. Pursuant to Government Code Section 29086, the General Fund General Reserve (account #34000) will be set and maintained at \$3,909,906 and shall not be cancelled or decreased except in cases of a legally declared emergency, as provided in Government Code Section 29127.
4. Appropriations for Contingencies. The General Fund Appropriation for Contingencies is appropriated at \$1,115,800.
5. Submission of Final Budget to State Controller. The Auditor-Controller shall file a copy of the Adopted Budget with the Clerk of the Board and the Office of the State Controller not later than December 1, 2025, consistent with Government Code Section 29093 and Board Resolution #92-112, adopted by the Board of Supervisors on July 28, 1992.
6. Prepayment of CalPERS Unfunded Liability. The Auditor-Controller shall authorize, and the Treasurer-Tax Collector shall facilitate prepayment of the CalPERS unfunded pension liability lump sum payment in the amounts as stated in the Annual Valuations for Sutter County for the Miscellaneous and Safety Units (as of June 30, 2024) no later than July 31, 2026 to obtain prepayment savings. At the end of the fiscal year, the Auditor-Controller shall perform a reconciliation of the retirement benefit collections versus payments made to CalPERS. Any excess of payroll retirement collections exceeding the Normal Cost payment and the prepaid unfunded pension liability shall be set aside to be placed in Sutter County's Internal Revenue Code Section 115 Pension Prefunding Account with Public Agency Retirement Services (PARS) to be spent exclusively on pension costs. The County Administrator shall request appropriation authority for the transfer of the overage to the PARS account through separate Board of Supervisors action. If payments to CalPERS in FY 2025-26 exceeded the amount of funds collected through the payroll system, the shortfall shall be allocated proportionately to all cost centers in the subsequent fiscal year.
7. Budget Transfers. Pursuant to Government Code Section 29125, the County Administrative Officer is authorized to approve budget transfers between objects within the same budget unit provided that the overall appropriations of the budget unit are not increased.
8. Fiscal Year 2025-26 Year-End Balances of Funds 0012, 0013, 0014 and 0015. The Auditor-Controller is directed, after all other accounting entries are made for FY 2025-26, and prior to closing the books on the fiscal year, to bring the fund balance of Funds 0012, 0014 and 0015 to zero by returning any excess revenue to the General Fund. The Auditor-Controller is directed, after all other accounting entries are made for FY 2025-26, and prior to closing the books on the fiscal year, to bring the fund balance of Fund 0013 to zero by returning any excess revenue to the Local Health & Welfare Trust – Social Services (Welfare Realignment) special revenue fund #1014 cost center #0248.

SUTTER COUNTY BOARD OF SUPERVISORS

Board Agenda Staff Report

To: Honorable Board of Supervisors

From: Steven M. Smith, County Administrator

Department: County Administrator

Subject: Adoption of the FY 2025-26 Budget Resolution and associated adjustments to the Tentatively Approved Budget as set forth in Attachment A to the resolution (4/5 vote required) (MT7186)

Recommendation:

It is recommended that the Board of Supervisors adopts the FY 2025-26 Budget Resolution reflecting technical modifications to the Tentatively Approved Budget, as set forth in Attachment A to the Resolution. (4/5th vote required)

Background:

The Board conducted a public hearing on the FY 2025-26 Tentatively Approved Budget on August 19, 2025. This report reflects the final recommendations regarding the FY 2025-26 Tentatively Approved Budget, including minor adjustments. Upon approval, this will become the Adopted Budget for FY 2025-26. The Adopted Budget will include all positions, capital assets, and capital projects as detailed in the FY 2025-26 Tentatively Approved Budget with exceptions as noted.

The proposed budget for adoption includes appropriations and revenues of \$518,257,211 as discussed at budget hearings on August 19, 2025 and tentatively approved by the Board of Supervisors on June 24, 2025. Subsequent to the tentative approval, staff identified additional items and technical corrections, increasing the total appropriations and revenues by \$17,018,134 for a total of \$535,278,345 in appropriations and revenue. All adjustments to the Tentatively Approved Budget proposed for Adoption are included in Attachment A. Government Code section 29088 requires that the budget must be adopted by a 4/5th vote if changes are made to the budget after the close of Budget Hearings.

Many of these adjustments reflect increased appropriations due the movement between Operating and Non-Operating funds, which doubles the appropriations necessary. There is no negative impact to the General Fund with these adjustments. The General Fund Appropriation for Contingency was tentatively approved on June 24, 2025 at the original recommended amount of \$1,008,000. Subsequent to the tentative approval, it is recommended to increase the Appropriation for Contingency in the amount of \$107,800 to offset the rebudgets for Clerk of the Board for Other Pay and Office of Emergency Services for grant revenue for a revised total of \$1,115,800.

The Auditor-Controller will produce a balanced Adopted Budget, pursuant to all applicable Government Code sections and within the direction given pursuant to Section 2(C) of the attached Budget Resolution. If, after the application of all authorizations provided for in the prior year's approved resolution and the attached FY 2025-26 Resolution, the Auditor-Controller believes he is unable to produce a balanced

budget, the Auditor-Controller will notify the County Administrative Office, explaining what additional direction the Auditor-Controller needs to produce a balanced budget. The County Administrative Officer will then place an item on the agenda of the next available Board of Supervisors meeting, for consideration and possible action, explaining what additional direction the Auditor-Controller needs prior to submission of the Adopted Budget to the State Controller's Office.

Prior Board Action:

A Budget Study Session with the Board was conducted on April 29, 2025. The County Administrator's Recommended Budget was posted online on June 6, 2025, and the budget was presented to the Board on June 10, 2025. The Recommended Budget was tentatively approved by the Board on June 24, 2025 and Budget Hearings were held on August 19, 2025.

Board Alternatives:

The Board could direct staff to make further adjustments to the FY 2025-26 budget prior to adoption and request that staff return with an amended resolution on or before October 2, 2025. This alternative is not recommended as, once adopted, the County has the ability to make additional changes through the budget adjustment process throughout the year. If the Board chooses to delay adoption, it will need to adopt a budget by October 2, 2025 to allow County operations to continue and comply with Government Code section 29088.

Other Department and/or Agency Involvement:

The Auditor-Controller will assist in the completion of the FY 2025-26 Adopted Budget and submit it to the State Controller by December 1, 2025, as required by Government Code section 29093. On August 19, 2025, County departments, affected outside agencies, and members of the public were given the opportunity to participate in the public hearing regarding the FY 2025-26 Budget.

Action Following Approval:

Upon the Board's adoption, the Tentatively Approved Budget, including all approved adjustments (Attachment A), will become the Adopted Budget for FY 2025-26. The Adopted Budget will be produced by the Auditor-Controller and, consistent with Government Code Section 29093 and Board Resolution #92-112, will be submitted to the Clerk of the Board and the State Controller by December 1, 2025.

Fiscal Impact:

The proposed budget for adoption is \$535,275,345, which is the Tentatively Approved Budget approved on June 24, 2025 of \$518,257,211 and the increase of \$17,018,134 as outlined in attachment A. The General Fund proposed budget for adoption is \$81,262,144 an increase of \$6,133,618 (8.2%) over the FY 2024-25 Adopted Budget is largely related to the reinstatement of the \$1.1 million payment into the County's pension prefunding account that was eliminated in FY 2024-25 to balance the budget, as well as increases to the County share of cost for the Public Safety Fund (+\$2.9 million) and the Health Fund (+\$1.7 million), a \$359,000 increase in the Planning and Building cost center related to increasing development activities anticipated in the budget year and the increases outlined in Attachment A for Fund 0001.

Countywide Goals and/or Top Priorities Compliance:

Adopting the FY 2025-26 budget resolution complies with Goal B: "Operate County government in a fiscally and managerially responsible manner to ensure Sutter County remains a viable and sustainable community to live, work, recreate, and raise a family."

Standing Committee Review:

The Recommended Budget was reviewed by the Board at the June 10, 2025 regular meeting, tentatively approved at the June 24, 2025 regular meeting, and reviewed at Budget Hearing on August 19, 2025 at 10:00 a.m., therefore, it was not reviewed by a standing committee.

Respectfully Submitted,

SUTTER COUNTY BOARD OF SUPERVISORS

Board Agenda Staff Report

To: Honorable Board of Supervisors

From: Steven M. Smith, County Administrator

Department: County Administrator

Subject: Approval of adjustments to the FY 2025-26 Adopted Budget decreasing appropriations by \$3,169,143 enabling the Auditor- Controller to produce the Final Adopted Budget for FY 2025-26 for submission to the State Controller's Office and direct the Auditor-Controller to allocate FY 2024-25 Unassigned Fund Balance in the General Fund in excess of funds already appropriated by the Board of Supervisors to the Committed Fund Balance for Capital Projects (4/5 vote required) (BT-2610000286 pending)(MT7473)

Recommendation:

It is recommended that the Board of Supervisors approves adjustments to the FY 2025-26 Adopted Budget decreasing appropriations by \$3,169,143 enabling the Auditor- Controller to produce the Final Adopted Budget for FY 2025-26 for submission to the State Controller's Office and direct the Auditor-Controller to allocate FY 2024-25 Unassigned Fund Balance in the General Fund in excess of funds already appropriated by the Board of Supervisors.

Background & Discussion:

The Sutter County FY 2025-26 budget was adopted by the Board of Supervisors on September 9, 2025 by Resolution No.25-035. Upon close of the County's FY 2024-25 books, which occurs after budget adoption, the Auditor-Controller identified several funds where financing requirements exceeded their respective available financing necessary to balance the FY 2025-26 budgets. Resolution No. 25-035 states that should additional authority be required to produce a balanced budget, the Auditor-Controller's Office would notify the County Administrative Office, and the County Administrative Office would return to the Board of Supervisors with recommendations as necessary. On December 16, 2025, the Auditor-Controller provided the County Administrative Officer with a memo detailing the required adjustments necessary to produce the Adopted Budget (Attachment 1). The County Administrator prepared a response to the items noted in the Auditor-Controller's memo, which is attached as Attachment 2. Budget adjustments are necessary to address nine items on the Auditor-Controller's memo, and the adjustments are included as Attachment 3. Budget adjustments must be adopted by the Board of Supervisors, as the deadline for submission to the State Controller's Office was December 1, 2025.

The County Administrative Office analyzed the information provided by the Auditor-Controller and recommends the adjustments necessary to balance the individual budgets. These adjustments are described in the County Administrator's response memo (Attachment 2).

It is recommended that the Board provides directions to the Auditor-Controller for the distribution of unassigned fund balance. The County Administrator recommends allocating the unassigned fund balance

excess of financing over financing requirements to the Committed Fund Balance for Capital Projects. This action will position the County to address a portion of the \$55.8 million in unmet Capital Improvement Plan requests anticipated over the next five years.

Budgetary Legal Basis: Government Code Section 29009 requires that the County budget be balanced (the funding sources shall equal the financing uses). Government Code Section 29093 requires that the Adopted Budget shall be filed by the Auditor in the Office of the Clerk of the Board and the Office of the State Controller not later than December 1st of each year. As the statutory deadline has passed, action is required to balance the FY 2025–26 budget to ensure it is submitted to the State Controller's Office in conformance with law.

Past Consideration of the Board:

April 22, 2025 – 6:00 p.m.	Board of Supervisors held a Budget Study Session
June 6, 2025	FY 2025-26 Recommended Budget was posted online
June 10, 2025 – 3:00 p.m.	County Administrator presented the Recommended Budget
June 24, 2025 – 3:00 p.m.	Board tentatively approved the FY 2025-26 Budget
August 19, 2025 – 10:00 a.m.	FY 2025-26 Budget Hearings held
Sept. 9, 2025 – 3:00 p.m.	Board adopted the FY 2025-26 Budget with adjustments

Action Following Approval:

The Auditor-Controller will adjust the budget as attached and submit the Final Adopted Budget to the State Controller's Office by January 29, 2026.

Alternatives:

The Board may postpone adoption of the recommended adjustments and direct staff to make further revisions; however, this action would further delay submission of the Final Adopted Budget to the State Controller's Office, which is required no later than December 1, 2025.

Fiscal Impact:

The fiscal impact to the FY 2025-26 Adopted Budget is a net decrease in appropriations in the amount of \$3,169,143, BT-2610000286 (Attachment 3).

Countywide Goals and/or Top Priorities Compliance:

County Wide Goals #B: Operate County government in a fiscally and managerially responsible manner to ensure Sutter County remains a viable and sustainable community to live, work, recreate, and raise a family.

Standing Committee Review:

Per Sutter County Board Procedures rule 36, year-end clean up adjustments maybe placed on the Boards agenda without committee review.

Respectfully Submitted,

s/ *Steven M. Smith*
County Administrator

Subject: Response to Auditor-Controller's Letter dated December 16, 2025, regarding Adjustments Necessary to Balance the FY 2025-26 Adopted Budget Pursuant to Sutter County Resolution No. 25-035

Thank you for your letter dated December 16, 2025, regarding adjustments necessary to balance the FY 2025-26 Adopted Budget pursuant to Sutter County Resolution No. 25-035. Below are the responses to the letter.

The following cost centers' financing requirements exceed their respective available financing:

1. CC0127 – Sheriff Other Grants Funding
2. CC0173 – Sutter Pointe Law Enforcement
3. CC0245 – Social Services Realignment
4. CC0270 – Wrap Around Services
5. CC0271 – Behavioral Health Quality Improvement Plan
6. CC0184 – Sheriff Inmate Welfare
7. CC2105 – Trial Court Security
8. CC0255 – Plan Check and Inspection Fees
9. CC0395 – Rio Ramaza Community Services District

Other adjustments of Note:

10. FD0001 – General Fund
11. Internal Services Funds (ISF)

Responses to the above Notes from the Auditor-Controller's letter:

1. The County Administrator agrees with this item and recommends a budget adjustment to transfer \$3,468 into CC0127 – Sheriff Other Grants Funding and remove the Cancellation of Fund Balance offset by a transfer out and an equivalent reduction in professional and specialized services in CC2201 – Sheriff-Coroner.
2. The County Administrator concurs and recommends a budget adjustment to CC0173 – Sutter Pointe Law Enforcement decreasing Cancellation of Fund Balance in the amount of \$448,728 offset by an increase in revenues to recognize the advanced funds from the Sutter Pointe Developers.
3. The County Administrator agrees with this item and recommends a budget adjustment to CC0245 – Social Services Realignment decreasing Cancellation of Fund Balance in the amount of \$1,600,000 offset by a decrease in operating transfer out and a correlating decrease operating transfer into CC5101 – Social Services Administration and an equivalent reduction in permanent salaries.
4. The County Administrator concurs and recommends a budget adjustment to CC0270 – Wrap Around Services increasing obligated Fund Balance in the amount of \$80,122 offset by an increase in operating transfer in and a correlating increase in operating transfer out from CC5101 – Social Services Administration and an equivalent reduction in permanent salaries.
5. The County Administrator agrees with this item and recommends a budget adjustment to CC0271 – Behavioral Health Quality Improvement Plan (BHQIO) reducing the Cancellation of Fund Balance in the amount of \$53,008 offset by a decrease in operating transfer out and a correlating decrease in operating transfer into CC4102 – Behavioral Health offset by an increase in Federal revenues already received.
6. The County Administrator concurs and recommends a budget adjustment to CC0184 – Sheriff Inmate Welfare reducing the Cancellation of Fund Balance in the amount of \$5,732 offset by an increase in operating transfer in and a correlating increase in operating transfer out from CC2301 – County Jail offset by an increase in revenues already received.
7. The County Administrator finds that CC2105 – Trial Court Security is strictly a pass-through account that should not maintain a fund balance. The County Administrator recommends a budget adjustment to CC2105 – Trial Court Security in the amount of \$48 increasing fund balance offset by an increase in operating transfer in and a correlating increase in operating transfer out from CC1209-General Revenue offset by a reduction in Contingency funds CC9900.

8. The County Administrator agrees with this item and recommends a budget adjustment to CC0255 – Plan Check and Inspection Fees to remove all appropriations included in the FY2025-26 Adopted Budget and to change the correlating transfer of \$110,000 into CC4400 Water Works District #1 from operating transfer in Non-major to operating transfer in-General Fund offset with a correlating increase in the operating transfer out from CC1209 - General Fund Revenues offset by an increase in Committed Fund Balance for the Dissolution of Special Districts.
9. The County Administrator concurs and recommends a budget adjustment to CC0395 – Rio Ramaza Community Service District decreasing \$4,851 in cancellation of Fund Balance offset by an increase in operating transfer in and a correlating increase in operating transfer out from CC1209 – General Revenues offset by an increase in Committed Fund Balance for the Dissolution of Special Districts.
10. The County Administrator acknowledges the challenges associated with the ERP implementation. Two years ago, the carryover ending fund balance was conservatively and appropriately estimated due to the fiscal year not being closed at that time. The County Administrator recommends allocating the excess of financing over financing requirements to the Committed Fund Balance for Capital Projects. This action will position the County to address a portion of the \$55.8 million in unmet Capital Improvement Plan requests anticipated over the next five years.
11. Staff in the County Administrative Office will work with the respective departments to reduce rates or set aside funds for future projects to bring the working capital back to within the 60-day working capital threshold for FY 2026-27.

All budget adjustments are included BT-2610000286 to the Board of Supervisors on January 27, 2026.

I, along with the staff in my office, sincerely appreciate the work your office has done to close FY 2024-25 and prepare the FY 2025-26 Adopted Budget. Please feel free to reach out if you have any questions or concerns with the proposed adjustments.

AUDITOR-CONTROLLER

To: Steve Smith, County Administrator Officer

Re: Adjustments Necessary to Balance the 2025-26 Adopted Budget Pursuant to Sutter County Resolution No. 25-035 Prior to Submission to the State Controller's Office.

The attached budget schedules reflect the necessary changes to be made to comply with Sutter County Board Resolution approved September 9, 2025. No. 25-035 for the Auditor-Controller to produce and file the Adopted Budget, balanced, pursuant to all applicable Government Code sections.

The Auditor-Controller's Office has identified the following schedules submitted to us by the County Administrator's office which, after we have applied the balancing adjustments available to us through the limited authority allowed by the resolution, is still out of balance. To comply with the County Budget Act, including implementation of Government Accounting Standards Board Statement No. 54, and the additional restrictions imposed by the Board's resolution, we need the Board's approval of further adjustments to proceed with the compilation of the Adopted Budget which is due at the State Controller's Office by December 1st.

Special revenue cost centers where financing requirements exceeded their respective available financing:

- CC0127 – Sheriff Other Grants Funding
- CC0173 – Sutter Pointe (Law Enforcement)
- CC0245 – Social Services Realignment 2011
- CC0270 – Wrap around Services
- CC0271 – Behavioral Health Quality Improvement Plan
- CC0184 – Sheriff Inmate Welfare
- CC2105 – Trial Court Security

Special district cost centers where financing requirements exceeded their respective available financing:

- CC0255 – Plan Check and Inspection Fees
- CC0395 – Rio Ramaza Community Service District

Each cost center within a special revenue fund and special district fund has its own restricted funding sources and must balance to its own financing uses.

Other adjustments of note:

- FD0001 – General Fund – Available financing exceeded the financing requirements increasing Committed Fund Balance for Capital Projects by \$10,222,406.
- Internal Service Funds (ISFs) will exceed their 60 day working capital limits in 2025-26.

These are the issues identified by the Auditor-Controller's Office as of December 16, 2025. Because of the complexity of the budget, it is possible that additional adjustments may be identified as we continue our analysis of the documents your office has provided to us.

Sincerely,

A handwritten signature in blue ink, appearing to read "Nathan Black", written in a cursive style.
